## **Fulfilment of entry requirements**

List your university courses that correspond to each specific entry requirement below. If the course name does not include the specific entry requirement, please add the official course/module description/syllabus **as an appendix** to this document and tick the box for that course.

If you are going to use the same course to cover two separate entry requirements, please estimate

how many of the ECTS credits from this course that cover each entry requirement, based on the content of the course, and give that number in the ECTS box (for example 3 ECTS from a 10 ECTS course). You cannot list the same credits twice.

**Questions?** Please check out FAQ on <a href="www.lth.se/">www.lth.se/</a> <a href="mailto:english/faq">english/faq</a>. Here you can also find guidelines on how to convert local credits into ECTS.

#### **Laboratory Experience**

List your **practical experiences** in a laboratory environment below. This includes laboratory experience from courses taken at university level during or before/after the completion of your bachelor's degree. If you don't have any practical experience, please continue to the next part of the summary sheet.

Please note that practical experience is not an entry requirement but can be a merit in the selection procedure when candidates present equal theoretical qualifications.

Course Name (max. 16)	Term/Year  – indicate if the course is completed/ongoing/planned (e.g. Spring 2022, ongoing)	Number of ECTS	Amount of lab work (approximate number of hours spent in the lab/course)

**Part 2:** What are your plans/career ambitions (immediately) after completing this programme? Max. 300 characters including spaces.
