

Summary Sheet and Statement of Purpose – Master's programme in Production and Materials Engineering

Questions? Please check out FAQ on: www.lth.se/english/faq
Here you can also find guidelines on how to convert local credits into ECTS.

Personal information (same as your <u>universityadmissions.se</u> account)

First name

Last name

Application number Email

Bachelor's degree BA/BSc

Full name of Degree and Field of study

Name of University

Completion year (or planned) Country

University's Ranking Number (or N/A if not ranked)

QS – <u>www.qs.com</u> Times – <u>www.timeshighereducation.com</u> Other (e.g. national ranking)

Grading scale

Highest and lowest passing grade at your university (e.g. max. A, min. E, or max. 100 %, min. 50 %)

Your average grades (if applicable)

Your CGPA or average Your percentage of maximum Your ranking in class (if stated in your transcript) grade (if applicable) (if stated in your transcript)

If you wish to comment on the information provided about your degree, please do so below.

Additional Master's or other degrees (if applicable)

Full name of Degree and Field of study

Name of University

Completion year (or planned) Country

University's Ranking Number (or N/A if not ranked)

QS – <u>www.qs.com</u> Times – <u>www.timeshighereducation.com</u> Other (e.g. national ranking)

Grading scale

Highest and lowest passing grade at your university (e.g. max. A, min. E, or max. 100 %, min. 50 %)

Your average grades (if applicable)

Your CGPA or average Your percentage of maximum Your ranking in class (if stated in your transcript) grade (if applicable) (if stated in your transcript)

If you wish to comment on the information provided about your additional degree, please do so below.

Fulfilment of entry requirements

List your university courses that correspond to each specific entry requirement below. If the course name does not include the specific entry requirement, please add the official course/module description/syllabus **as an appendix** to this document and tick the box for that course.

If you are going to use the same course to cover two separate entry requirements, please estimate how many of the ECTS credits from this course that cover each entry requirement, based on the content of the course, and give that number in the ECTS box (for example 3 ECTS from a 10 ECTS course). You cannot list the same credits twice.

Algebra and calculus (minimum 20 ECTS)

Course Name (max. 15)	Term/Year – indicate if the course is completed/ongoing/planned (e.g. Spring 2022, ongoing)	Grade	Number of ECTS	Syllabus included

Statement of purpose

Four questions, max 2 500 characters per question including spaces.

1. What is your main motivation and interests in the field of Production and Materials Engineering?

2. What experience do you have related to the field in terms of employment, training, internships etc.?

3. What do you hope to benefit from studying the programme?

4. What are your plans after completion of the programme?
