- Visual Culture
PROGRAMME DETAILS AND APPLICATION INSTRUCTIONS

All international Master’s programmes, entry requirements, programme-specific documents and application instructions are found on the international website: lunduniversity.lu.se/programmes

APPLICATION PERIOD - DEADLINE 15 JANUARY

Now is the time to apply for studies starting in autumn 2018!

The application period for all international Master’s programmes is from mid-October to 15 January each year, with programmes starting in late August. All official documents, programme-specific documents, proof of English and the application fee (if applicable) must be received by 1 February.

It is possible to apply to most programmes in the final year of your Bachelor’s studies, so long as you will have graduated before the start of our Master’s programmes.

BACHELOR’S DEGREE PROGRAMMES IN ENGLISH

Lund University has seven Bachelor’s programmes taught in English: International Business, Development Studies, Mathematics, Physics, Physical Geography & Ecosystem Analysis, Fine Arts and Music. Please visit the Information tables at the Graduate Fair for more information.

Thank you for visiting the Lund University Graduate Fair!

For questions and help after the fair you can always reach us by email: degreestudies@lu.se
