

## Personal Master's in Medical Science Medical Portfolio

### Personal data

First Name	Last Name
Application ID	Phone number
Email	

### Checklist

- I have read and followed the instructions, also the specific ones for my country, specified at <https://www.universityadmissions.se/intl/start> and my application is complete.
  - In addition, I have filled out this document, checked that the text fits inside the boxes, the document is saved as Lund\_year\_applicationnumber.pdf (e.g. Lund\_2022\_005778.pdf) and uploaded through <https://www.universityadmissions.se/intl/start>
  - I have my Bachelor degree diploma and have uploaded it at universityadmissions.se
- Or**
- I have not completed my Bachelor degree at this time-point but I am expected to before the program start in August. I have therefore submitted a certified list of the courses that I will take before I get my degree.

### Education

#### Bachelor/undergraduate

Name of University	Country
Degree and field of study	

#### Master/Graduate (if applicable)

Name of University	Country
Degree and field of study	

#### Doctoral education (if applicable)

Name of University	Country
Degree and field of study	

## Independent project / Degree thesis

Previous experience in research and academic writing is not a prerequisite but is a strong merit.

- I have performed an **independent project**; a degree thesis or other research projects that includes a written report. Please fill out the title, abstract and length of the project below (weeks in full time equivalents).
- It is part of my Bachelor's degree but I have not performed it yet. Please describe your project (if it is ongoing or planned) or the project course as carefully as possible.
- I have not and will not perform any independent project that includes a written report.

Title of the report/thesis

Abstract, or a short description of the project (max 3500 characters)

Length of the project (weeks in full time equivalents)

## Motivation letter

Please describe briefly your main research interest and motivate why you want to study the Master programme in Medical Science at Lund University. The text must fit into the box below (3200 characters).

## Statement of purpose

We would like you to elaborate on the following question:

Which *two health issues in your own main field* challenge you, and how would you like to approach them?

Use the space below to develop your text. Max 6000 characters.

## Previous work experience

Please list and describe your previous work experience within your profession that is relevant for the Masterprogramme in Medical Science. State the name of the company or institutions and time period you were employed during (max 3500 characters). You must certify your experience with work certificate.
