- Application deadline: January 2023
- Programme start: August 2023

PROGRAMME OVERVIEW

The Master's Programme in Service Management is a unique opportunity for those seeking a management programme at an advanced level with a strong link to research. The programme combines in-depth subject knowledge of the service sectors with an understanding of the specific organisational and managerial needs of service activities. When applying to the Master's Programme in Service Management, you choose one of five different specialisations: Culture and Creativity Management, Retail, Supply Chain Management, Sustainable Service Management, or Tourism. We have a mix of students from all around the world.

Features of the programme

The tourism industry is experiencing major changes and challenges. Committed individuals, who can develop, lead and transform service operations are needed more than ever. Tourism is studied from a multidisciplinary perspective combining elements of management, marketing, social sciences and humanities. You will gain deeper knowledge of destination development and marketing, value creation and innovation within tourism as well as project management.
