Orientation weeks 2017

SCHEDULE FOR FORMAL EXCHANGE STUDENTS

Welcome to Lund University and the Orientation Weeks for exchange students

Arrival Day is the start of the Orientation Weeks offering activities where you will have the chance to learn more about Lund University and Sweden and make new friends.

Pay attention to instructions from your exchange coordinator. Only students who have applied for the SUSAs introductory course can attend classes.

TICKETS

Some events require a ticket. Events printed in **bold** are organised by the International Desk at Lund University and are open to all students. Tickets to these are sold during Arrival Day and at the International Desk.

FINDING YOUR WAY

(...*) refers to the LU Map showing the number of the building and/or coordinates. The LU Map is included in the Welcome Package that you receive on Arrival Day.

THE EXCURSION DAYS

Söderåsen National Park Hiking Tour

Your chance to get out to the beautiful Söderåsen National Park. You can choose from two different difficulty levels but in either case, be sure to bring sturdy shoes, your own lunch and water, and lots of energy!

Österlen Tour- to Ales stenar, Glimmingehus and Stenshuvud National Park

On this tour, you will get the best of the east. Eastern Skania that is! We will visit the ship shaped stones with a mysterious history, explore the fishing village of Kåsaberga where you can purchase some great fresh fish for lunch. Next, we will go on a guided tour of a strange medieval castle and end the day at the national park, Stenshuvud.

IKEA shopping trip

Now is your chance to visit the 'greenest' IKEA built some years ago in Malmö. You will have several hours to purchase things for your new room or living space and try Swedish food. Though the deals can be great, remember, you have to bring them home with you from the meeting point!

Lund University 350 years

Lund University is turning 350 and that is worth celebrating! The jubilee will run from 19 December 2016 until 28 January 2018, the dates marking the University's foundation and its subsequent inauguration.

For almost 350 years, the University has been a powerful force within education, research and community building, which has left its mark on Lund, the region and the nation. Our 350th anniversary celebrations aim to be a collective opportunity to highlight the education, research and other activities which take place at the University.
